

THE CLEAR CHOICE

Shrink BAGS & BANDS

TRACO SUPER SHRINK®

Deliver strong, safe, simply elegant, or surprising packaging solutions when product details sparkle through SuperShrink® bags, bands and sleeves. New Sonic twin cut bands join two products in their own protective band with a daring center seam engineered to resist breaking or tearing.

Superior reflective properties improve customer appeal for single items and multi-pack promotions while protecting your products.

- Shaped for unique product groupings or difficult-to-fit items
- PVC bags & bands made from tubing—no weak side seams
- FDA approved food grade PVC & Polyolefin

Choose in-stock shapes or specify to fit your products.
