# Digital Print For Flexible Packaging

Traco's Digital Print Solutions offer the advantage of shorter run lengths without compromising print quality. Short print runs have always meant printing using flexography, but the quality always suffered. With Traco's Digital Solutions, print runs can be from ten impressions to thousands with quality that exceeds rotogravure printing.

## Flexible Packaging Solutions

Shrink Sleeves, PS Labels, Flow Wrap Film, Pouch Film, and more...

## Available Substrates

PVC, PET, BOPP, OPS, PLA, Foils, Pouch Films
